Tuesday, July 5

09:00 Registration and coffee

10:00 Welcome Session | Stadtsaal

Host:
Horst Domdey CEO, Bio^M Biotech Cluster Development

Welcome notes **Roland Weigert** State Secretary, Bavarian Ministry of Economic Affairs, Regional Development and Energy

Ulrike Wolf Director General, Bavarian Ministry of Economic Affairs, Regional Development and Energy

Keynote: **Heyo Kroemer** CEO, Charité Berlin
Prerequisites for Future Medicine

Panel discussion: **Panelists:**
The importance of basic research for the medicine of the future
Patrick Cramer Director, Max Planck Institute for Multidisciplinary Sciences
Heyo Kroemer CEO, Charité Berlin
André Schmidt Medical Director Pharma, Novartis
Ernst-Ludwig Winnacker Professor-Emeritus, LMU Munich

Moderation:
Ulrike Köhl Director, Fraunhofer Institute for Cell Therapy and Immunology IZI

12:00 Lunch break

12:45 Networking, pitches, company presentations | Tenne

Host:
Max Pöhlmann Clustermanager, Bio^M Biotech Development GmbH

Pitches:
Biotype Karim Tabiti
Zifo Technologies Ingo Gellrich
KIT Karlsruhe David Rudolph
ProductLife Group Amit Salvi
V.O. Patents & Trademarks Bettina Hermann

12:45 Poster session – novel developments & stories from (clinical) research | Altes Foyer

Poster Presentations

13:30 Sessions A-C: Innovative technologies and therapies

Session A | Room: Stadtsaal **Host:**
Hitto Kaufmann CSO, Pieris Pharmaceuticals

Innovative technologies: **Speakers:**
How could molecular advances shape the medicine of the future
Gerald Wiegand Country Director Germany, Moderna
André Schmidt Medical Director Pharma, Novartis
Christian Itin CEO, Autolus
Ulrike Köhl Director, Fraunhofer Institute for Cell Therapy and Immunology IZI
Cynthia Sharma Chair, Institute Molecular Infection Biology II, University of Würzburg

Session B | Room: Kleiner Saal **Host:**
Jens Wiehler Managing Director, DigiMed Bayern

Collecting and processing big data: **Speakers/Panelists:**
Possibilities & Challenges
Anna Bauer-Mehren Head Data Science, Roche Diagnostics
Benjamin Friedrich CMO, Temedica
Roland Geyer COO, Lifespin
Ralf Huss Managing Director, Institute of General Pathology and Molecular Diagnostics, University Augsburg
Georg Münzenrieder Head of Division, Bavarian State Ministry of Health and Care

Session C | Room: Säulensaal **Host:**
Ulrich Rant CEO, Dynamic Biosensors

Nanotechnology and Biotech at the interface **Speakers:**
Hendrik Dietz Principal Investigator of the Laboratory for Biomolecular Design, TUM
Niels Fertig CEO, Nanion Technologies
Henriette Maaß Managing Director, Nanostruct
Felix von Stetten Executive Board Member, Hahn-Schickard-Gesellschaft für angewandte Forschung

15:30 Coffee break

15:30 Nano-Café | Altes Foyer

Tech-Demo of Nanotech-Companies

15:45 Poster session – novel developments & stories from (clinical) research | Altes Foyer

Poster Presentations

16:15 Afternoon session | Stadtsaal

Host:
Horst Domdey CEO, Bio^M Biotech Cluster Development

Keynote: **Patrick Cramer** Director, Max Planck Institute for Multidisciplinary Sciences
Insight must precede application: Max Planck and medicine

Wrap-up Sessions A-C

Interlude **Christian Stein** General Manager, ascenion
The CARMA-Fund

Cabaret interlude **Christian Springer** Cabaret artist

18:00 Evening Event: Open-Air Barbecue & Live Music | Stadtsaalhof

Enjoy networking and a great evening reception!
Marina Belinska on her electric violine

22:00 Closing

Wednesday, July 6

08:15 Registration and coffee

09:00 Morning Session | Stadtsaal

Keynote: **Clemens Wendtner** Chief Medical Director, Infectiology, München Klinik

Panel discussion:
Looking Ahead – How can we prepare for future threats to our healthcare systems?

Panelists:
Thomas Gudermann Dean of the Faculty of Medicine, LMU Munich
Elke Glasmacher Lead Biomarker Discovery, Roche Diagnostics
Magdalena Kempa Managing Director, smartbox
Clemens Wendtner Chief Medical Director, Infectiology, München Klinik
Ulrike Wolf Director General, Bavarian Ministry of Economic Affairs, Regional Development and Energy

Moderation:
Monika Jones International TV and Conference Moderator

11:30 Brunch

11:45 Press Conference | Tenne

Achievements of the Bavarian Biotech Industry in 2021/22:
Presentation of the current report

Speakers:
Horst Domdey CEO, Bio^M Biotech Cluster Development
Clemens Wendtner Chief Medical Director, Infectiology, München Klinik
Hitto Kaufmann CSO, Pieris Pharmaceuticals

12:00 Poster session – novel developments & stories from (clinical) research | Altes Foyer

Poster Presentations

12:30 Sessions A-C: New impacts and approaches for a healthy future

Session A | Room: Stadtsaal **Host:** **Horst Domdey** CEO, Bio^M Biotech Cluster Development

The bavarian therapeutic strategy to combat the COVID 19 pandemic

Speakers:
Michael Thormann CEO and CSO, Origenis
William Menzer PhD, Eisbach Bio
Carsten Brockmeyer CEO, Formycon
Stefan Löffler Project Manager, Explicat Pharma
Carsten Rudolph CEO, ethris
Stefan Engelhardt CSO, rnatix
Hitto Kaufmann CSO, Pieris Pharmaceuticals

Session B | Room: Kleiner Saal **Host:** **Moritz Völker-Albert** Co-founder, EpiQMax GmbH

Impact of environment and way of living

Speakers/Panelists:
Ferdinand von Meyenn Group Head Nutrition and Metabolic Epigenetics, ETH Zürich
Barbara Munz Head of molecular and cell biological research lab, Department of Sports Medicine, Universität Tübingen
Mathias Schmidt Head of Neurobiology of Stress Resilience lab, MPI of Psychiatry
Lara Maier Senior Consultant, goetzpartners

Session C | Room: Säulensaal **Host:** **Andreas Hauser** bayresq.net

Novel biochemical approaches for next generations of antibiotics

Intro: **Franziska Faber** Project Lead, Rbiotics

Panelists:
Peter Hammann Consultant Antibiotics & Natural Product Research
Michael Menden Project Lead, DynamicKIT
Hannelore Meyer Group Leader, MIH, TU München
Klaus Weinberger Weinberger & Weinberger Life Sciences Consulting
Roman Wölfel Director Institute for Microbiology, Universität der Bundeswehr

14:30 Coffee break

15:00 Closing session | Stadtsaal

Wrap-up Sessions A-C **Host:** **Monika Jones** International TV and Conference Moderator
Poster award ceremony

Keynote: **Matthias H. Tschöp** CEO, Helmholtz Munich
From Excellence in Research to Breakthrough Solutions

16:30 FORUM Science & Health – Livetalk | Stadtsaal + Livestream

The **Livetalk-Series** live from the on-site conference (in German) **Panelists:** **Eva-Susanne Dietrich** Director, Institut für evidenzbasierte Positionierung im Gesundheitswesen, Universität Bonn

Präzisionsmedizin: **Hanns-Georg Klein** Medical Director, MVZ Martinsried
Wolfgang Kern Executive Manager, MLL Münchner Leukämie Labor
Matthias H. Tschöp CEO, Helmholtz Munich

Moderation: **Jeanne Turczynski** Science Editor, Bayerischer Rundfunk

17:30 Beer & Brezn

18:30 End
