

Bio^M events

▪ Forum Science & Health

FORUM Science & Health is the interdisciplinary **meeting point in Bavaria for all stakeholders in applied healthcare research**. It connects topics and actors from the fields of biotechnology, medicine, nutrition, medtech and digitalization.

In 2022, the FORUM Science & Health is presented in two formats, virtual an on-site

- Livestream - series continuation
FORUM Science & Health – live aus dem WERK 1
the livetalk will be held in German
- On-site conference
3rd FORUM Science & Health at Veranstaltungsforum Fuerstenfeld
the conference will be held in English

More at www.forum-science-health.org

Target Group: From young professionals, executives, clinical investigators to decision makers: The event formats offer a platform for everyone who wants to get involved and help shape the healthcare of the future. More than 250 participants expected.
